The Community Events Committee met on Tuesday January 26, 2016 at 6:35 pm to discuss the upcoming Cheviot Family Day. Prior to this committee meeting and at the prior Cheviot City Council meeting it was agreed that Cheviot Family Day would be changed to Thursday June 02, 2016 and will be held at the Cheviot Fieldhouse. Mr. Dinkelacker stated that he would organize and confirm with his vintage baseball league to have a game on that day. After some discussion, some entertainment ideas were proposed to organize by various persons: water balloon toss, face painting, photo booth, a police dog demonstration, having a helicopter land and showcase and trying to obtain Grillin' with Tim from channel 12. It was further agreed that various businesses would be contacted to provide food for the event; NYPD, R&R Meats, Pic's Produce (Dennis) and Taste of Class Catering. Once more things are finalized; a letter will be drafted to be sent / delivered to the Cheviot businesses to be able to showcase their business at the event or to provide some sort of support for the event. A letter will also be sent to all city employees encouraging them to submit an entry to the chili cook-off that will also take place at the event.

It was also agreed that a marketing campaign would be instituted by council members and the administration to make the public more aware of event and sent to the Public Relations Committee (Amy Richter).
