**Division of Fire Report**  
**1<sup>st</sup> Quarterly Report 2016**

Members of Council,

During the first quarter of 2016 the Fire Department responded to 358 EMS runs and 121 fire runs. Our Fire Inspectors completed 40 fire inspections. Seven fire prevention actives were held at the station. The department installed 19 car seats and trained 360 hours in fire and EMS. Fire hydrants were serviced and we are in the process of painting the fire hydrants.

The Fire Department received 5 additional radios from the EMA free of charge and they are at MobilComm being flashed to our channels.

In the first quarter we have been servicing all of our mechanical equipment. (saws, fans, breathing air compressor, extrication tools , and SCBA's)

The Fire Department maintains most of our own vehicles and equipment. Weekly checks are done on all vehicles, breathing apparatus, saws, smoke ejectors, and extrication equipment. Daily checks are done on both squads, and fire apparatus. The personnel clean and disinfect the firehouse daily. The fire department also maintains the fuel log for city hall and measures the fuel levels daily.

Respectfully Submitted,

Chief Robert Klein
