DEPARTMENT OF SAFETY
DIVISION OF FIRE
CITY HALL

ROBERT KLEIN
FIRE CHIEF

Division of Fire Report
2nd Quarter Report 2016

Members of Council,

Through the 2nd quarter of 2016 the Fire Department responded to 605 EMS runs and 179 fire runs. Our Fire Inspectors completed 57 fire inspections. Thirteen prevention actives were held at the station. The department installed 32 car seats and trained 540 hours in fire and EMS. Fire hydrants were painted and serviced.

Hamilton County Dispatch will change over to a new radio system in July and all the Motorola radios in the station have been converted to the new system with the exception of the Explorer because it has a Kenwood radio. They are working to resolve an issue reprogramming the Kenwood radios.

In the second quarter we had serviced all of our mechanical equipment. (saws, fans, breathing air compressor, extrication tools, and SCBA's). We will be testing all of our ladders and hoses next quarter.

We have only issued 3 new business permits this year.

The Fire Department maintains most of our own vehicles and equipment. Weekly checks are done on all vehicles, breathing apparatus, saws, smoke ejectors, and extrication equipment. Daily checks are done on both squads, and fire apparatus. The personnel clean and disinfect the firehouse daily. The fire department also maintains the fuel log for city hall and measures the fuel levels daily.

Respectfully Submitted,

Chief Robert Klein
