While there was not enough committee members present to have a Municipal Properties Committee meeting, but the members of council present along with Mr. Braun and Mrs. Greene discussed the shelters at Harvest Home Park just being able to be rented by residents, non-profit groups, and to grandfather previous rentals groups that have been renting for 3 or more years.

Permit fees for athletic fields were also discussed. It was discussed that field permit fees be raised to \$35.00 in order to cover the cost of paint to line the fields.

Pool rates will be determined at a later meeting.

Respectfully submitted,
