A meeting of the Streets, Lights and Sidewalks committee was held on September 23, 2015 from 8:20 pm – 8:55 pm., to discuss bagging meters for the month of December. After much discussion, it was agreed that each business will be allowed to sponsor one meter pole in front of their business for the nominal fee of \$10. The meter must be decorated, not using anything damaging or permanent and at a minimum indicate the allowable time for that spot. The amount of time allowable for the spot(s) is up to the business owner, but may not exceed 2 hours.

Administration will enforce the time-limit as set by the owner.
