

Streets, Lights and Sidewalks

08/25/2015 @ 7:30 pm – 8:10 pm

Present:

Committee Members: Bill Clark (Chairman), Amy Richter, Leslie Roden and Jim Sunderhaus

Council Members: Dennis Dinkelacker, Jim Martin and Debbie Slaughter

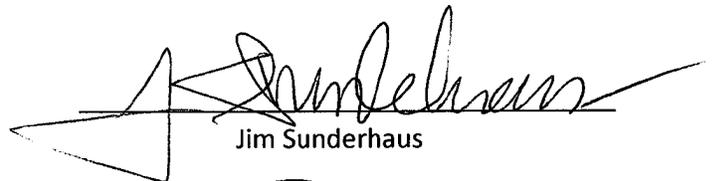

Meeting was called to order at 7:30 pm to discuss what the committee wanted to see done with bagging meters for the month of December.

- After some discussion, it was decided that this writer will check on how much the meters generate for the month of December.
- It was discussed to have businesses sponsor the meters in front of their business and possibly decorate the meter(s).
- It was also discussed any money over what the meter may have generated, would be donated to a charity of council's choosing.

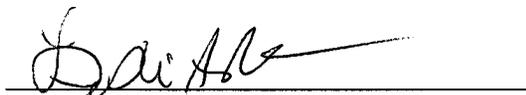

A meeting of SLS will be called again in the near future to present the amounts and to setup guidelines of the meter sponsorship.
