Committee met on Feb 10, 2015 at 7:30 pm to discuss pool rates for the 2015 season.

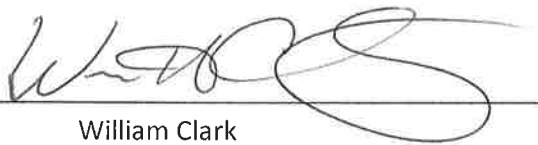

Rates of other local pools were given to the committee.

The pool season rates are recommended to stay the same. The daily gate rate is recommended to increase for youth (under 18) and adults by \$1.00; \$5.00 for youth, \$7.00 for adult. Seniors will remain the same.

It was also recommended that 3 additional items be added to the brochure: couple be added to Employees of Cheviot Business at a rate \$110; that we offer swim lessons during the season and **Anyone** can receive the discount of \$10 for a Family and \$5 for everyone else purchasing a season pass and that discount be made available through the 1<sup>st</sup> weekend of the pool being open.

Other items discussed were renting out the pool for parties, offering half-season passes and having events at the pool for members. These items will be discussed at a later date.

The meeting was concluded at 8:15 pm.
