Cheviot School Brings Back its Library

After many years of absence, the library at Cheviot School is open once again. The new librarian, Abby Moran, along with a crew of volunteers and school staff, have organized over 5,000 books, added barcodes, and scanned them into a computer system. Many books were collected by school resource coordinator Onyango Collier over the past couple years in partnership with Adopt-A-Book. He was also able to get more than 600 new books thanks to a service event organized by University of Cincinnati’s Pi Beta Phi fraternity at the Cincinnati Public Library.

We Love Cheviot Book Now Available

New Cheviot book now available for your Cheviot collection. The book by Roberta Michel, Robert Klein, and Rich Martin covers the early history of Cheviot to the bicentennial. The book will be sold at the firehouse located on Harrison Ave. for \$10. All proceeds will go to the Cheviot Historical Society to preserve, collect, and promote the history of Cheviot.

Trevor Avenue Street Construction

Street re-construction will cover the full length of Trevor Ave. from Harrison Ave. to Smith Rd. Cincinnati Water Works will lay a new water main this winter. Re-paving along with curbs and gutters will occur Spring 2019. The majority of the funding for the project is from the State Capital Improvement Program and CDBG funds.

WeTHRIVE! Active in Cheviot

Cheviot has been working with the Hamilton County Public Health's WeTHRIVE! initiative since 2009. Current activities are focused on providing information packets on healthy food and food pantries in the Cheviot area to be given to families at Cheviot Public School and the community at large. Through the County's grant program, Cheviot recently installed several bike racks in the business district, upgraded the St. Vincent DePaul garden at St. Martin's, and funded swim lessons and exercise programs at the Cheviot Pool. If you are interested in volunteering with WeTHRIVE! in Cheviot, contact Caroline at cstatkus@cheviot.org.

Take a Survey for Chance to Win \$25 Kroger Gift Card

Cheviot residents are encouraged to complete the WeTHRIVE! survey about your physical activity for a chance to win a \$25 Kroger Gift Card. If you completed the survey at the WestSide Market in May, you are eligible to take the survey again. The on-line survey takes 10-15 minutes and your information will be confidential. An evaluation specialist from UC is conducting the survey. You can find a direct link to the survey at www.cheviot.org under "News."

Polar Blast hits Cheviot

Cheviot experienced a rare Polar Blast this past June at Cheviot United Methodist Church. More than 90 children and adults braved the "arctic winds" during the church's Vacation Bible School. During the program the generosity of the participants resulted in \$677 in monetary and supply donations for the Dragonfly Foundation. Dragonfly helps pediatric cancer families and patients find strength, courage, and joy.
