A Message to the Citizens of Cheviot from Mayor Keller:

2016 is here and we are gearing up to again have another exciting pool season at the Cheviot Municipal Pool located at Harvest Home Park. As in previous years, we constantly review our operation and try to provide a fun and safe environment for our pool users. The fees you provide enable us to open the pool for the entire 11 week season. Again, we will be offering users the ability to buy passes for the entire season, or for a daily rate at the gate. If you buy a season pass before June 4th, you will receive a discount. I hope you utilize our concession area as any profit made goes back into the operation of the pool. Swim lessons will be offered separately through the lifeguards. We hope to see you at both the Harvest Home and Fieldhouse Parks this summer!
