RE: Internal Affairs Committee Report for Meeting on June 10, 2014.

A meeting of the Internal Affairs Committee took place at 6:30 PM on June 10, 2014 at Cheviot City Hall.
In Attendance were: James Martin, Chairperson (Late), Deborah Slaughter, President of Council, Tom
Braun, Safety and Service Director City of Cheviot, Committee Members, William Clark and Amy Richter.

The main purpose of this meeting was to discuss options for the sale of the Morebattle Property located
on Harrison Avenue that was deeded to the City of Cheviot by the Port Authority. Much discussion took
place on what should be done with this property with some suggestions being to sell the property for
use by a private firm or use the property as a parking lot for the City of Cheviot.
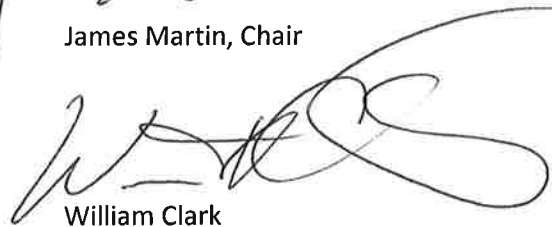

After much discussion it was agreed to that the property should be listed for sale with a price starting at
10,000 dollars. It was directed to the Safety and Service Director to list the property for sale once the
questions surrounding the deed are completed.
